Star Trek Beyond

Tgtje, zaterdag 21 mei 2016 - 12:35:57

Star Trek Beyond plot : The first leg of the USS Enterprise's five year mission takes them into uncharted territory. There the Enterprise is nearly destroyed and strands Kirk and his crew on a remote planet with no means of communication. Kirk must then work with the elements to reunite his crew and get back to Earth. Release datum ca 22 juli 2016 ©Paramount Pictures and Youtube
